

#9200

TACTICAL TRAILER TESTER FIELD KIT

Test and Clean Tow Circuits on All Trucks and Trailers in North America

The 37-piece #9200 Tactical Trailer Tester Field Kit is designed to test, clean and restore tow circuits on all trucks and trailers in North America. Engineered with the service professional in mind, it encompasses all the tools and adapters necessary for maintenance on 4/5, 6-way round, 7-way flat and 7-way round pin electrical connectors. The #9200 comes in a custom, hard case built to withstand harsh conditions in the field, in the shop, or on the road.
