

AS314STR
Hydraulic Nut Splitter - Standard,
2"

PRODUCT DETAILS

- Fast from toolbox to operation in under 5 minutes with only seconds to cut the nut
- Improved safety for operator and environment: no hammers, no impact, no flames, no hot permit required
- Super versatile, cuts virtually any shape nut with optional adapters up to 6-1/2" or 165mm
- Fits into tight spaces
- Precise, easily calibrate the cutting chisel, so only the nut is cut with no damage to the bolt or stud threads
