

"YOUR LIGHTS HAVE BEEN ON MY BELT FOR 15 YEARS. NOT ONCE HAVE THEY FAILED!"

I recently made the big mistake of ordering and using a competitor's product. It was a huge mistake. I have since returned completely and totally to Streamlight. Your lights are the toughest and most reliable on the market and I am proud to carry them with me on duty and off. For 15 years, your lights have been on my belt and not once have they ever failed. Thank you for all the great products.

Sincerely,
Sergeant Philip Freeman

STINGER[®] CLASSIC LED

So many people loved the size, shape and feel of the original Stinger xenon model that we updated it to a powerful, durable, rechargeable LED flashlight. It produces 390 lumens on high, a smooth beam and lots of peripheral light.
