

**HOLDING STRONG
SINCE 1941**

100 SERIES FORGED C-CLAMP - HEAVY-DUTY 6-15/16 - 11-9/16" OPENING CAPACITY

14198

Wilton® Brute Force™ 100 Series C-Clamps are ideal for heavy construction with a drop forged frame, black oxide coating, and clamping force ranging up to 15,000 lbs. Spindles are full length, machined from a single piece of square, cold drawn steel tempered and hardened. Square spindle heads stand up to heavy wrench tightening.

FEATURES

- Recommended for heavy industrial and construction job site demands, the heavy-duty models are some of the toughest products available for their weight to strength ratio
- 100 Series model frames are forged of superior quality steels
- Forged square head spindle with rolled thread. Black oxide coating for added strength
- Perma-Pads® are standard and are also black-oxide coated
